

Evaluating Your Project

A final report to evaluate your project helps both your organization and the Quadra Island Foundation to understand the impact of this grant on your organization and on the community.

Please provide a response to each question below that applies to your project:

1. How has this project contributed to our Quadra Island Community?
2. Were any of the community benefits different than what you expected?
3. What did you and your organization learn as a result of this project?
4. How will you share what you learned in order to advance your organization's impact/sector impacts?
5. What was the biggest obstacle you had to deal with and how did you overcome it?
6. What aspects of your project could you see being continued or expanded? What would it take to do that?
7. Have you sent photographs to the Foundation of your completed project?
 - This applies to capital projects or programs where confidentiality of persons is not an issue. Please ensure you have permission from photographed participants for publication of any photos that you provide to us.
8. Would you please also share with us any anecdotes/stories from users/beneficiaries that we could share with our donors and with the community at-large? Thank you.
9. How did you give recognition to Quadra Island Foundation?
